### What is this?

Applications have been received for an Official Plan Amendment, Zoning By-law Amendment and Draft Plan of Vacant Land Condominium on the subject lands (see location map). The applications would permit the condominium development of 10 townhouse blocks consisting of a total of 50 townhouse dwelling units on a private road. The Official Plan Amendment proposes to redesignate the subject lands from “Low Density Residential” to “Medium Density Residential” to permit an increased density for the development. The Zoning By-law Amendment proposes to rezone the subject lands from “Residential Development (RD) Zone” to “Residential Multiple 1 (RM1) Zone” with site-specific provisions related to lot area, frontage and coverage, front yard setbacks, interior side yard setbacks, rear yard setbacks, distance between buildings on the same lot, distance between an end wall of a dwelling unit and a private lane or parking area, accessory building yard setbacks, width of garage doors, and interior side yard setbacks for driveways.
