MEDIA RELEASE

CONCERT ORGANIZERS SET SIGHTS ON MINIMAL DISRUPTION

FOR IMMEDIATE RELEASE

June 1, 2012

Niagara-on-the-Lake— Organizers for the Saturday, June 30 Tragically Hip concert at Butler's Barracks are working with Town staff to keep disruption to residents at a complete minimum during the lead up to and the day of the event.

A traffic management plan has been developed that includes shuttle services for concert-goers, one road closure, no parking zones in designated areas and access passes for affected residents.

Following are some details:

- John Street East will be closed from Queen's Parade/Niagara Parkway to King Street from 8 a.m. on Saturday, June 30, 2012, to 1 a.m. on Sunday, July 1, 2012.
- Parking will not be allowed on side streets in the concert area, including:
 - Mississagua Street
 - John Street West, King Street to Mississagua Street
 - King Street from Gage Street to Cottage Street
 - Cottage Street from King St. to Rye Street
 - Rye Street from Cottage Street to Niagara Street
 - Nelles Street
 - Castlereagh Street
 - Niagara Street from King Street to East and West Line
 - Charlotte Street
 - Niagara River Parkway-Queens Parade from John Street East to Wellington Street

.../2

- Passes have been created for all residents affected by the closure of John Street so they will be able to access their property during that time without incident. A letter to all affected residents will be sent out the week of June 4.

Organizers have been working with staff from various Town Departments to develop this plan to avoid congestion in that area and to ensure emergency vehicle access throughout the event hours. Signage will be posted and Niagara Regional Police Officers have been hired to help with traffic management.

The event site at Butler's Barracks will be an active work zone from 8 a.m. on Monday, June 25, 2012, until end of day on Monday, July 2, 2012.

PLEASE NOTE: Once finalized, a map outlining the road closure and no parking zones will be posted on the Town's web site.
